

SolarInnovate Energy Solutions

American battery storage box manufacturers

215kWh

8,000+ Cycles Lifetime

IP54 Protection Degree

Overview

When was the first battery enclosure made?

Our first battery enclosure was produced in Europe in 2011 for a hybrid electric vehicle. Magna provides a comprehensive range of battery enclosure production and engineering solutions, available in steel, aluminum, and innovative one-piece designs.

Who is American battery solutions?

American Battery Solutions Inc. develops next generation battery systems that help electrify underserved segments in the transportation, motive, commercial and industrial sectors. Battery Bonanza! 'It's A Revolution. It's Not Hype.' Michigan Positioned To Be Leader In EV Space Powering next generation electrification.

What is a cast hybrid battery enclosure?

Utilizing advanced cast aluminum alloys that are heat-treated for enhanced strength, these enclosures are produced on high-capacity die casting machines to ensure precision and reliability. Magna's Cast Hybrid Battery Enclosures are designed to provide robust and reliable housing for hybrid vehicle batteries.
