Apply for rooftop communication base station EMS

Overview

Can a radio base station be installed on a rooftop?

3. For the installation of a radio base station, the operators are reminded to consider the possible effect of radio-frequency radiation on flammable atmospheres due to the diesel fuel oil tank, if any, installed on the proposed rooftop.

Can a radio base station be installed within a building?

The proposed radio base station installation within building is certified to constitute material change in use which necessitates submission of notification to the Building Authority under BO s25.

What is a telecommunications system (radio base station)?

A telecommunications system (radio base station) may comprise an equipment room/shelter which is a structure for housing power supply and transmission equipment and/or antennae which are fixed to roof parapet of a building or attached to supporting frames projecting from the external wall of a building. 2.

How do I apply for a radio base station?

The applicant should also submit details of the proposed installation including sizes of hub units, equipment room/shelter and radio coverage of the proposed radio base station. In case the applicant is not the registered owner, an authorization letter signed by the registered owner should also be submitted.

How will OFTA assess a radio base station application?

5. To ascertain that the proposed radio base station would not cause harmful radio interference with other telecommunications systems or services and would not pose any unacceptable non-ionization radiation hazards to personnel or residents in the vicinity, OFTA will assess the application based

on the information provided in Annex 1 to Part B. 6.

Does a radio base station need planning permission?

A radio base station not meeting the definition of “Telecommunications Radio Base Station” is considered as a type of “Public Utility Installation”. Whether it will require planning permission from the TPB will depend on the provisions of the concerned statutory plan.
