# Asuncion energy storage cabinet battery company

## Overview

---

Does Paraguay have a grid-scale energy storage project?

The capital of Paraguay, Asuncion. The country has not announced any grid-scale energy storage projects to-date. Image: CC / Mariano Mantel. Investment firms PASH Global and ERIH Holdings have formed a joint venture (JV) to develop utility-scale solar and battery storage projects in Paraguay.

What is a battery energy storage system?

Battery Energy Storage Systems (BESS) have become a cornerstone technology in the pursuit of sustainable and efficient energy solutions. This detailed guide offers an extensive exploration of BESS, beginning with the fundamentals of these systems and advancing to a thorough examination of their operational mechanisms.

Is the grid-scale battery storage market in Paraguay about to change?

Like most of Latin America, the grid-scale battery storage market in Paraguay is at a relatively early stage. However, recent moves by the government show that may be about to change.
