

SolarInnovate Energy Solutions

Australian factory photovoltaic folding container wholesale

Overview

Who is PV wholesale?

Affordable. Quality. Australian. At PV Wholesale, we are a locally owned and operated solar company dedicated to providing high-quality products at wholesale prices. Our mission is simple: to help every Australian power their home with affordable and reliable solar solutions.

What is a solar container?

Designed for mobility, our solar containers are easy to transport and install, making them ideal for remote locations or temporary setups. Perfect for off-grid projects, backup systems, or renewable energy initiatives, our solar containers offer a sustainable and reliable energy option.

What is a containerised Solar System?

Containerised systems are manufactured and tested at RPC to reduce installation time and cost. You would need a very large roof or ground mount frames to accommodate up to 288 solar panels. Contact Us A 48V stand alone system with a 6 x 8000W battery inverters. Designed for an overall consumption of about 120 kWh per day *.

What are containerised off-grid solar systems?

Our Containerised Off-Grid Solar Systems are massive energy storage systems designed to supply a business or remote location with renewable energy. Suitable for farms, mines, or a cluster of houses. Run all the gadgets you can think of, including large machinery and industrial pumps.

What is a shipping container solar solution?

It's a modified shipping container built to house solar panels, batteries, inverters, and other off-grid power systems. These units are ideal for powering remote sites, construction camps, emergency setups, or as a portable backup energy system.

What is a solarcontainer?

The Solarcontainer is a photovoltaic power plant that was specially developed as a mobile power generator with collapsible PV modules as a mobile solar system, a grid-independent solution represents. Solar panels lay flat on the ground. This position ensures maximum energy harvest Panels lays flat on the ground.
