

SolarInnovate Energy Solutions

Belarusian energy storage lithium battery wholesale

Overview

How Renera batteries helped BKM holding fulfill a contract with Gorelectrotrans?

RENERA batteries made it possible for BKM Holding to fulfill a contract with the Saint Petersburg (Russia) electric transport operator Gorelectrotrans. The contract was signed a few weeks before the companies agreed on the shipment of batteries and provides for the supply of 97 Olgerd 32100D trolleybuses.

Who makes Renera batteries?

RENERA (part of Rosatom's nuclear fuel division TVEL) is engaged in the production and distribution of energy storage systems. The company produces Li-NMC batteries for electric vehicles.

How will energy storage help Saint Petersburg's public transport system?

"Advanced energy storage systems will help municipal authorities organize new transport routes and make public transport in Saint Petersburg safer and more convenient," RENERA CEO Alexander Kamashev explains. Exploring new opportunities This July, RENERA made another step in strengthening its ties with Belarus.
