## Overview

---

What is econtainers?

eCONTAINERS offers portable cabins, sanitary cabins, storage containers, shipping containers as well as modular buildings for immediate use. ul. Ołowiana 10 ul. Ołowiana 10 eCONTAINER offers portable cabins, sanitary cabins, storage containers, shipping containers as well as modular buildings for immediate use.

What kind of plastic do you make your mobile containers out of?

With two types of plastic used in the construction phase we make our mobile containers out of food grade polyethylene so that they are suitable for any hygienically sensitive environment. However, we also manufacture products out of recycled plastic to offer users a more cost effective alternative.

Who is Lotus containers?

LOTUS Containers is your specialist for intercontinental projects. Opt for the shortest transport route between Asia and Europe – we offer the perfect rail solutions thanks to our well-founded market knowledge and necessary equipment. 2. July 2025 12. June 2025 10. June 2025
