# High quality solar power unit in Croatia

## Overview

---

What is the largest solar power plant in Croatia?

The representative of the Prime Minister of the Republic of Croatia and State Secretary in the Ministry of the Economy and Sustainable Development, Ivo Milatic, and the CEO of Croatian Electrical Industry (HEP), Frane Barbarić, put into service today the solar power plant Vis, the largest solar power plant in Croatia worth 31 million HRK.

What percentage of solar PV installations are in Croatia?

Solar PV capacity accounted for 11.0% of total power plant installations globally in 2021, according to GlobalData, with total recorded solar PV capacity of 894GW. This is expected to contribute 26.1% by the end of 2030 with capacity of installations aggregating up to 3,206GW. Of the total global solar PV capacity, 0.01% is in Croatia.

Will HEP install a solar power plant in Croatia?

HEP announced that in addition to the solar power plant Vis, a battery storage container of 1MW power and capacity of 1.44 MWh, the first of this size in Croatia will also be installed.

Which solar PV project is located in Split-Dalmatia?

The FNE Vis Solar PV Park is a 3.81MW solar PV power project located in Split-Dalmatia, Croatia. Buy the profile [here](#). 2. Vis SPP Solar PV Park The 3.50MW Vis SPP Solar PV Park solar PV power project is located in Split-Dalmatia, Croatia. Hrvatska Elektroprivreda; Koncar Power Plant and Electric Traction Engineering has developed the project.

Who developed the solar power plant?

At the plant 11.200 340Wp, photo-voltage modules were installed, and five frequency transformers of the nominal power of 720kW which as one of the key elements of the power plant was developed and produced by KONČAR.

The management and supervision system of the solar plant was also developed and produced by KONČAR.

Who owns Stankovci solar PV farm?

The Stankovci Solar PV Farm is a 2.50MW solar PV project. Hrvatska Elektroprivreda owns the project. It was commissioned in 2022. The project was developed by Hrvatska Elektroprivreda. It is located in Zadar, Croatia. Buy the profile [here](#). 4. Vrlika Jug SPP Solar PV Park
