

SolarInnovate Energy Solutions

High quality suntree dc breaker

Overview

Discover Suntime Electric's range of DC circuit breakers, including MCB, MCCB, ACB, and battery breakers. Ensure reliable protection and safety in all your DC applications. Who makes DC circuit breakers?

With 16 years of exposure in the industry, our team manufactures high-quality and fully-functioning DC circuit breakers. Want to explore more?

Learn about and use our more efficient and safer circuit protection system solutions. Discover Suntime Electric's range of DC circuit breakers, including MCB, MCCB, ACB, and battery breakers.

What is DC circuit breaker?

Devices are designed for direct current (DC) control circuit applications. SM1-PV 3P DC750V 4P DC1000V specialized in Moulded Case Circuit Breaker dc circuit breaker is widely used in solar power system. XinChi Electric Group Co., Ltd is a group company, There are four branch companies subordinate to it. Registered trademark is "suntime".

Why should you choose Suntime Electric Group?

to incorporate into solar photovoltaics, battery energy storage and EV charging system. Suntime Electric Group Co.Ltd, the leading manufacturer of the PV industry and smart electrical since 2007. We are able to provide high quality electrical.

Who is Suntime Electric Group?

Suntime Electric Group Co.Ltd, the leading manufacturer of the PV industry and smart electrical since 2007. We are able to provide high quality electrical products and services with strong independent innovation and high-end technology, and have obtained more than 100 software copyrights, patents and new product certifications.

What is Sm1 moulded type electric circuit breaker for home solar system?

The product conforms to IEC60947-2 standard. SM1 moulded type electric circuit breaker for home solar system is designed to provide overcurrent protection within appliances or electrical equipment, where a branch circuit protection is already provided or not required. Devices are designed for direct current (DC) control circuit applications.

What is a DC circuit breaker sm1-pv 3p 3P dc750v 4p dc1000v?

Devices are designed for direct current (DC) control circuit applications. SM1-PV 3P DC750V 4P DC1000V specialized in Moulded Case Circuit Breaker dc circuit breaker is widely used in solar power system. Auxiliary, Alarm, Shunt release, Manually-operated and electric operated.

High quality suntree dc breaker

DC Circuit Breaker: Key Considerations for Customers When ...

Oct 9, 2024 · Their line of DC circuit breakers is a cost-effective and high-quality solution for your needs. With a qualified team of experts backed by 16 years of industry experience, SUNTREE

...

Suntree 32 Amps 550V 2 Pole DC Solar Circuit Breaker (MCB)

Aug 11, 2025 · The Suntree 32 Amps 550V 2-Pole DC Solar Circuit Breaker is designed to protect photovoltaic (solar) systems from overcurrent and short circuits. With a voltage rating of up to ...
