# Household solar lights price in Tanzania

## Overview

---

Where can I buy solar power in Tanzania?

Various companies are active in the solar power business in Tanzania, serving all different market segments. In fact, these companies selling solar products range from importers to wholesalers, retailers and local solar shops. Most are centred around larger cities, particularly Dar es Salaam, Mwanza and Arusha.

How much does electricity cost in Tanzania?

The price of electricity for households in Tanzania is 0.092 U.S. Dollar per kWh, and for businesses it is 0.095 U.S. Dollar per kWh (December 2022), including all components of the electricity bill such as the cost of power, distribution, and taxes.

Is it necessary to have a solar panel in Tanzania?

In Tanzania, having a good solar panel is necessary coupled with a solar generator. Solar power is not only sustainable and renewable, but it also means that once you install a solar system, you will never run out of energy because the sun never runs out.
