Are solar tiles a good investment?

Solar tiles perfectly combine architecture, aesthetics and photovoltaic technology, making the entire roof look beautiful and elegant, with a strong sense of technology, and enhancing the value of the property itself.

What is a goodwe solar roof tile?

The GoodWe Sunshine Series is an integrated solar roof tile solution for pitched rooftops to replace traditional solar panels and framework for a sleek, aesthetically-pleasing result, that also maximises your rooftop space for more solar production. The integrated tempered double-glass structure ensures the safety of the roof structure.

Why should you choose Sunshine tiles?

The integrated tempered double-glass structure ensures the safety of the roof structure. Featuring improved roof ventilation and heat dissipation, as well as fast installation, the Sunshine tiles can not only improve solar power generation efficiency, but also help households lower energy costs while reducing their overall carbon footprint.
