

SolarInnovate Energy Solutions

Inverter 175kw

Overview

What is a 175 TL string inverter?

175-TL High power density This new high-power string inverter with the highest power density within the 1500 Vdc segment, delivers up to 185 kVA at 800 Vac. This not only maximizes the ROI for ground-mounted utility-scale applications but also reduces Balance of System costs (i.e. AC side cabling) for small to large scale, free field ground.

What is a string inverter?

String inverters transform the direct current (DC) from your PV panels into an alternating current (AC) that can be fed into the electrical grid. String inverters are mostly used in residential and commercial solar projects such as rooftop, carport, ground mount and tracker installations.

What is the minimum quantity order for on-grid inverter kW?

Huawei Technologies Co., Ltd. On-Grid Inverter kW Prices, Reviews, Specs Datasheet The minimum quantity order is a 20Ft container. Max. DC Voltage Max. DC Current Max. AC Power Max. Efficiency Max. Altitude Looking for Solar Equipment Suppliers?

.

What is the efficiency of a string inverter?

The highest efficiency is 99%, and the efficiency in China is 98.58%. 6-channel MPPT, effectively reducing the impact of string mismatch. Product Parameters Recommended max. PV power Detailed Photos String inverters transform the direct current (DC) from your PV panels into an alternating current (AC) that can be fed into the electrical grid.

What is the power range of a string inverter?

String inverters come in a power range between 2.5 kW and 250 kW.

Company Profile Hefei Pinergy Solar Technology Co., Ltd is a professional and world-class manufacturer of crystalline PV modules. The business covers the R&D, production and sales of PV modules, solar power plants and PV system products, and O&M services, etc.

What is a pvs-175 TL solar inverter?

lar inverter PVS-175-TL The PVS-175-TL is FIMER's innovative three-phase string inverter, delivering a six-in-one solution to enhance and optimize solar power generation for ground mounted u 175-TL High power density This new high-power string inverter with the highest power density within the 1500 Vdc segment, delivers

Inverter 175kw
