Islamabad 5g base station consultation

Overview

Where will 5G be rolled out in Pakistan?

In the first phase, 5G will be rolled out in Pakistan's five capital cities: Islamabad, Lahore, Karachi, Quetta, and Peshawar. As all other nations, according to MoITT officials, are working on a phased launch strategy for 5G, and the Government of Pakistan (GoP) will follow the suit.

Which telecom companies have successfully completed 5G testing in Pakistan?

Jazz, Pakistan Telecommunication Company Limited (PTCL), Telenor Pakistan, and Zong are among the telecom companies that have successfully completed 5G testing in Pakistan. The GoP will issue policy directives after receiving input from the industry on draft policy guidelines, after which the hiring of consultants and other processes will begin.

Will 5G be launched in 2022?

In the fourth quarter of 2022 or the first quarter of 2023, the government intends to launch 5G in some cities. A spectrum advisory council has been established in this regard, and incentives for spectrum deployment will be outlined in the upcoming finance bill.
