Italy Zhilian New Energy opens a new site

Overview

Is Italy planning a new 8 GWh battery production facility?

Energy S.p.A. is making plans for a new 8 GWh battery production facility in Italy's Veneto region, where it already operates a 400 MWh production line in partnership with Pylontech EU.

Will Italy start a Gigafactory in 2026?

The planned, up-to-8 GWh-per-year “gigafactory,” part funded by €7.15 million (\$9.47 million) of European Union post-Covid “PNRR” funding for Italy, is set to be operational this year. Energy S.p.A. plans to begin selling large-scale storage systems from the gigafab in 2026.

Is Geely EX5 a strategic initiative?

The company says the model marks an important strategic initiative for Geely as it continues to expand its presence in overseas markets. Geely has appointed Zhilian Zhili New Energy Auto Service (Hong Kong) Limited as its official authorised dealer, responsible for Geely EX5 sales and aftersales service.

Is Geely launching an electric SUV in Hong Kong?

Shown at the Hong Kong IMXpo 2024, the EX5 electric SUV is a key part of Geely’s overseas expansion strategy. Geely Auto Group has announced that an all-new battery electric SUV Geely EX5 has formally launched in Hong Kong, making its official debut at the International MotorXpo Hong Kong (IMXpo) 2024.
