

**SolarInnovate Energy Solutions**

# **Lithium batteries for Tunisian communication base stations**

## Overview

---

Should telecommunication operators invest in a telecom battery backup system?

Investing in a telecom battery backup system is always one of the priorities for telecommunication operators in the 5G era. Sunwoda 48V telecom batteries have a capacity covering 50Ah-150Ah, which can easily meet the power backup needs of macro and micro base stations.

Why should you buy a lithium Network Power Battery?

Leoch manufactures a wide range of Lithium Network Power Batteries to cover any telecommunications requirement. Aiming to deliver an unprecedented value to your needs, these solutions offer exceptional performance, long life, high energy density, ease of installation, and hassle-free operation for a broad spectrum of telecom applications.

Does Leoch manufacture lithium batteries?

Leoch manufactures premium Lithium batteries to cover any renewable energy requirement. Aiming to deliver a robust product portfolio that will cover your requirements in the long term, we target to offer unprecedented value to your needs.
