New Delhi v Solar Air Conditioning

Overview

Which is the best solar AC in India?

Our first pick on this list of the best Solar AC in India is this particular air conditioner from Godrej. The Godrej brand has been synonymous with most Indian households for decades, so you know you're getting a decent product. Coming to the specifications, the AC supports a tonnage of 1.5 tons, making it perfect for medium to larger-sized rooms.

Should you buy a solar AC?

Solar air conditioners are usually hybridised versions of regular air conditioners and can save you significant energy bills. Moreover, solar ACs don't produce the same type or level of CFCs and HCFCs as regular ACs, making them a much better option in the long run. If you're looking to buy the best solar AC in the market today, we're here to help.

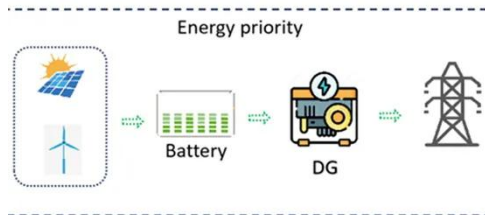

How much does Blue Star Solar AC cost in India?

This particular Blue Star Solar AC comes with a 1-ton capacity and uses a Brushless DC motor. Moreover, Blue Star has equipped the air conditioner with their signature Turbo Cool technology, which cools the room quickly, even in extreme summer conditions. Price in India: Rs. 33,999 Buy on Flipkart 3.

What are the best solar ACS?

Our third entry on the list of the best solar ACs is this product from Haier. Haier has always been known to provide quality electronic appliances, and this air conditioner is no different. It uses Haier's iconic Triple Inverter+ technology, which offers intelligent functioning of the air conditioner's inverter.
