Where can I buy electrical supplies in Ottawa?

The Westburne branch in Ottawa East carries a wide assortment of electrical supplies for commercial, industrial, and residential contractors, including lighting, wire and cable, distribution, tools, and automation. We are also an electrical distributor of top products from popular brands such as Eaton, ABB, IPEX, and Burndy.

Are triangle power stations good for camping?

They are perfect for camping and outdoor adventures because they are durable and provide reliable wattage for all your essential electronics. Don't have a Triangle ID or Triangle Rewards® Card?

Explore our portable power stations for dependable, compact, and versatile power solutions. Perfect for camping, emergencies, and outdoor adventures.

Should you buy a portable power station?

Some portable power stations come with built-in LED flashlights, wireless charging pads, or app connectivity for remote monitoring. Others are engineered for quiet operation, which can be a major benefit if you're using one in a shared campsite or indoor environment. There's no one-size-fits-all solution.

What devices can a portable power station run?

Portable power stations can run a variety of devices, including smartphones, laptops, CPAP machines, lights, small appliances, and even mini fridges, depending on their wattage capacity. How long does a portable power station last?

Runtime depends on the battery's watt-hour (Wh) capacity and what you're powering.

Can a power station be used indoors?

For indoor use, yes. Power stations are quieter, safer, and require no fuel, making them ideal for apartments, campsites, and backup home use. However, traditional gas generators provide more power for extended or heavy-duty needs.

New outdoor power supply in Ottawa

North America's largest outdoor trampoline park to open

4 days ago · "A new family-friendly adventure park brings fresh energy and eco-innovation to the Ottawa-Gatineau region," reads the release. This marks the second Uplå in Quebec, and the ...
