Overview

Should you invest in solar energy in Portugal in 2025?

Pearls of Portugal can help you from start to finish. Portugal's favourable solar profile combined with solid policy and finance incentives make it a sound investment in 2025 in the area of solar energy.

Are solar panels common in Portugal?

It's not common in homes. As an expatriate, investor, or retiree in Portugal, these alternatives enable you to choose the solar installation that is the most optimal for your energy needs, your finances, and your property ambitions. Get a free quote and consultation for your energetic renovations!.

Does Portugal have a solar energy policy?

Solar energy accounts for 9% of Portugal's electricity generation, with continuous growth expected in the coming years (source). Portugal's government has introduced several initiatives to promote solar energy: Self-consumption Subsidies: Homeowners can receive grants covering up to 85% of installation costs, capped at €2,500 per system.

Why is Portugal a leader in solar energy adoption?

Portugal has emerged as a global leader in solar energy adoption, thanks to its favorable climate, ambitious renewable energy targets, and robust policy frameworks. This page provides detailed insights into the solar landscape of Portugal, offering valuable information for professionals and enthusiasts in the renewable energy sector.

Why do solar panels shut off in Portugal?

The majority of solar panel systems in Portugal automatically shut off in the event of a power outage for safety. This happens so electricity is not fed back into the grid, potentially harming technicians working on the lines. However, there are solutions such as SmartGuard by Huawei, to keep your system

running during the power outage.

What is the VAT rate for solar panels in Portugal?

Until 30 June 2025, installations benefit from a reduced VAT rate of 6% on mainland Portugal (5% in Madeira, 4% in the Azores). After that, the rate is expected to return to the standard 23%. Thinking about installing solar panels in your Portuguese home?
