

**SolarInnovate Energy Solutions**

# **Nouakchott liquid-cooled energy storage battery cabinet integrated system**

## Overview

---

PCS-8812 liquid cooled energy storage cabinet adopts liquid cooling technology with high system protection level to conduct fine temperature control for outdoor cabinet with integrated energy storage converter and battery. What is pcs-8812 liquid cooled energy storage cabinet?

PCS-8812 liquid cooled energy storage cabinet adopts liquid cooling technology with high system protection level to conduct fine temperature control for outdoor cabinet with integrated energy storage converter and battery.

What is included in a battery cabinet?

Each battery cabinet includes an IP56 battery rack system, battery management system (BMS), fire suppression system (FSS), HVAC thermal management system and auxiliary distribution system. Outdoor liquid cooled and air cooled cabinets can be paired together utilizing a high voltage/current battery combiner box.

What is a Megatron 1500V Battery Cabinet?

MEGATRON 1500V 344kWh liquid-cooled and 340kWh air cooled energy storage battery cabinets are an integrated high energy density, long lasting, battery energy storage system.

Can a liquid cooled and air cooled cabinet be paired together?

Outdoor liquid cooled and air cooled cabinets can be paired together utilizing a high voltage/current battery combiner box. Outdoor cabinets are manufactured to be a install ready and cost effective part of the total on-grid, hybrid, off-grid commercial/industrial or utility scale battery energy storage system. BESS string setup examples are:

## Nouakchott liquid-cooled energy storage battery cabinet integrated
