# Ottawa Telecom Base Station Electricity Price Charges

## Overview

---

Eligible residential, small business and net metering customers on the Regulated Price Plan (RPP) can choose between three types of electricity rates. The Ontario Energy Board sets these rates once a year.

When will Hydro Ottawa change its electricity rates?

1. OVERVIEW The Ontario Energy Board is approving changes to the rates that Hydro Ottawa Limited (Hydro Ottawa) charges to distribute electricity to its customers, effective January 1, 2024. Hydro Ottawa serves approximately 358,900 customers in the City of Ottawa and the Village of Casselman.

How does Hydro Ottawa pay its customers?

Hydro Ottawa collects this money and pays this same amount to its suppliers. As a residential customer, you have the option of buying the electricity you use through the Regulated Price Plan (RPP) where you are charged a regulated price per kilowatt hour (kWh) by Hydro Ottawa for the electricity that you use.

What charges are on my Hydro Ottawa Bill?

Other charges can include the costs of administering the wholesale electricity system and maintaining the reliability of the provincial grid, the Ontario Energy Rebate, account set up charges, interests, taxes and more may appear on your monthly bill from Hydro Ottawa. Was this page useful?

.

How much will Hydro Ottawa charge per kW?

In the current application, Hydro Ottawa is proposing to amend the approved LRAM recovery for the Street Lighting rate class only, by extending the disposition period by one year to keep total bill impacts under 10%. This will result in an annual rate rider of \$4.8925 per kW.

How often does the Ontario Energy Board set electricity rates?

The Ontario Energy Board sets these rates once a year on November 1. Learn

more. The Ontario Electricity Rebate (OER) is a provincially funded rebate that applies as a credit on qualifying electricity bills and reduces the pre-HST costs on customers' bills by 13.1%.

Do I need to enter consumption data when using Hydro Ottawa's rate plan comparison tool?

With MyAccount, there's no need for you to enter any consumption data or other billing information when using Hydro Ottawa's rate plan comparison tool. MyAccount will automatically generate an estimate and compare electricity costs for you based on the historical monthly usage information available in your MyAccount customer portal.
