

SolarInnovate Energy Solutions

Outdoor power supply engineering design solution

Overview

What is outdoor power solutions?

Outdoor Power Solutions deliver power, data, A/V connectivity and mobile charging to make the most of your outdoor spaces. The Outdoor Rooftop Box is a revolutionary product that provides convenient power access on raised rooftop decks without extension cords. All the power you need—for outside spaces.

Why do you need uninterruptible power supplies?

Our uninterruptible power supplies protect critical industries today and our electrical energy conversion systems are shaping a more secure and sustainable future. Our uninterruptible power solutions protect against mains power issues to ensure safe operation, protect people and reduce the risk of downtime and system failures.

What is a Deutz Power supply agreement?

The agreement includes the delivery, engineering, installation, commissioning, and long-term maintenance of approximately 150 high-reliability uninterruptible power supply systems. DEUTZ Spain has chosen AEG Power Solutions to provide power supply and services for the electrolyzer of a new pilot plant to produce hydrogen in Zafra, Spain.
