Outdoor power supply requirements

Overview

Pop Up Power Supplies® works closely with a wide range of construction professionals at any given point in the Specification process. Our team works with Architects, Planners and End Users at the design and brief stage, ensuring exactly the right power units are integrated into project.

Our Flip Lid Power Units were installed in public areas in the town of Stamford, Lincolnshire, for their market events they hold on a weekly basis. We worked closely with Council.

Pop Up Power Supplies® provide a range of retractable service units for new build and refurbishment construction projects throughout the UK. Architects, Contractors.
