Portable power bank 230w

Overview

Which power bank should I buy?

The Nimble Champ is our top recommendation for most folks, but we have all sorts of alternatives here. Read our [Best MagSafe Power Banks](#) guide for Apple-specific portable chargers, and our [Best Portable Power Stations](#) guide if you need more power. Updated June 2025: We've added power banks from Redmagic and Statik, and added a new FAQ.

Do you need a portable battery or power bank?

Watching your phone or tablet steadily run out of power when you're nowhere near an outlet is stressful. But there's an easy solution: a portable battery or power bank. They are available in many sizes and capacities and can include handy features like fast charging and multiple ports.

How much does a power bank cost?

Iniu Power Bank Bal-B64 for \$72: Offering relatively low prices, Iniu is a power bank brand on the rise. This portable charger packs a 27,000-mAh capacity, can put out up to 140 W, and charges three devices at once via two USB-C ports and a single USB-A port.

What is the best wall-charger power bank?

Infinacore Pandora Portable Power Global Wireless Charger for \$50: This was our pick for the best wall-charger power bank, and it is still a decent charger that plugs directly into the wall. It has the advantage of optional EU and UK plug adapters for an extra \$10, making it a handy travel companion.

Does a power bank work with a laptop?

The key spec for compatibility is maximum power output, not capacity. Even if a power bank has a high capacity like 30,000 mAh (110 Wh) or 50,000 mAh (185 Wh), it may not work for high-performance laptops unless it supports the necessary wattage. Imagine a water tank — a large tank (capacity) but a weak

faucet (output) won't let you shower.

Should I buy a power bank if I don't have an off-grid solar setup?

But even if you're not relying on an off-grid solar setup, good power banks will come in handy. The Nimble Champ is our top recommendation for most folks, but we have all sorts of alternatives here. Read our [Best MagSafe Power Banks](#) guide for Apple-specific portable chargers, and our [Best Portable Power Stations](#) guide if you need more power.
