Rog outdoor power

Overview

How much does an ASUS ROG outdoor power station cost?

There's no word on how much an Asus ROG-branded outdoor power station named after Thor's hammer might cost, but considering the display looks like it says 768W, we expect it'll probably be upwards of \$600. The perfect way to complete your off-the-grid gaming setup!.

What is a Rog Mjolnir power station?

ASUS ROG just published an interesting post on X/Twitter, previewing a future product: the ROG Mjolnir power station. This portable power solution aims to provide uninterrupted gaming experiences, even in outdoor settings. The ROG Mjolnir boasts interesting features catering to modern outdoorsy gamers' needs.

Can a Rog Mjolnir power station be used as a torch?

A nice touch is that ASUS uses the handle of the ROG Mjolnir power station as a torch or light source, which would be an excellent addition to an outdoor gamer (there are some) or even a gamer on the go in a van.
