Are Sun Joe electric power washers sustainable?

Sun Joe's electric power washers offer a sustainable solution for cleaning various outdoor surfaces, including patios, decks, siding, and vehicles. The high-pressure water jets effectively remove dirt and grime while minimizing water consumption and eliminating the need for harsh chemical cleaners.

Is Sun Joe a good brand?

A trusted brand for green, high-performance lawn care solutions. Sun Joe specializes in electric outdoor power tools that produce zero direct emissions, making them an environmentally conscious choice over gas-powered equipment. Our products feature advanced brushless motors and lithium-ion batteries to maximize runtime and energy efficiency.

Do Sun Joe pressure washers have electric motors?

The electric motors in Sun Joe tools operate much more quietly than gas engines, reducing noise pollution. Sun Joe's electric pressure washers are the ultimate outdoor cleaning solution.

Can Sun Joe tools be used off-grid?

With their cordless, battery-powered options, Sun Joe tools can be used in remote or off-grid locations where access to gasoline or a power source may be limited. This makes the Sun Joe technique suitable for outdoor enthusiasts, campers, or those working in remote areas who require efficient and eco-friendly outdoor power equipment.

When will the new Outdoor Supply Hardware open?

The new Outdoor Supply Hardware is expected to open by September. They are currently hiring staff and stocking merchandise.
