

Solar Photovoltaic Module Exhibition

Lithium battery parameters

Product capacity: 100Ah

Product size: 135*197*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5

Overview

SNEC 18th (2025) International Photovoltaic Power Generation and Smart Energy Exhibition & Conference June 11-13, 2025 National Exhibition and Convention Center (Shanghai)What is solar PV & energy storage World Expo?

Please try again later. Solar PV & Energy Storage World Expo has always been unanimously recognized and positively reviewed by the photovoltaic and energy storage industry in the past 15 years. It is also one of the most renowned and influential expos on solar photovoltaic and energy storage worldwide.

What is SNEC PV power Expo?

The International Photovoltaic Power Generation and Smart Energy Conference & Exhibition (SNEC PV POWER EXPO) provides the attendees with the opportunity to explore the exhibit of PV manufacturing facilities Lightweight plastic mirrors drop cost of solar thermal energy by 40% Glittering dreams: India's big push for solar power.

When is SNEC PV power Expo 2025?

The 18th SNEC (2025) International Photovoltaic Power Generation and Smart Energy Exhibition & Conference [SNEC PV POWER EXPO] will be held in Shanghai, China, on June 11-13, 2025.

When will PV industry professionals meet in Shanghai?

We look forward to welcoming PV industry professionals from around the world to gather in Shanghai, China. From an industry perspective, let's assess the current state of the PV power market in China, Asia, and globally, to help guide the innovative development of the PV industry. Hoping all of us will meet in Shanghai, on June 11-13, 2025!.

What is ENF solar?

ENF Solar is a definitive directory of solar companies and products.

Information is checked, categorised and connected. Profile of 18th SNEC (2025) International Photovoltaic Power Generation and Smart Energy Exhibition & Conference in China – including event description and detailed statistics.

How do I contact HQ mount for solar mounting solutions?

Contact HQ Mount for Solar Mounting Solutions, Samples, or Cooperation:
Website: Email: info@hqmount.com Tel: +86 0592 6252889 WhatsApp: +86 18030160771 Let's power the green energy future together! The 18th SNEC International Solar PV and Smart Energy Exhibition will be held in Shanghai from June 11-13, 2025.
