# Solar wall mounted home lamp

## Overview

---

Why should you buy a wall mounted solar light?

Because it has everything that you look for in a wall mounted solar light. It has an IP65 water resistance rating, durable body, fast recharging speeds, super-bright light, and a motion sensor. This is what most people need from their wall mounted solar lights.

Where to buy wall mounted solar lights?

There are many places from where you can buy wall mounted solar lights. But, my favorite place is Amazon as there are a lot of choices available there and you can get the product from the comfort of your home. Also, it is the safer option these days because of the virus. What purpose does it serve best?

.

How big is a wall mounted solar light?

The size of this wall mounted solar light is fairly small. Its 14.8 ounces of weight indicates that. Overall, the dimensions of this light are 6.1 x 4.06 x 3.11 inches. And the plastic used to build its body does not make it feel or appear very premium.

Are solar wall lights easy to install?

Outdoor solar wall mounted lights are easy to install, with no electrical wiring required. Solar wall lights come on automatically at dusk, so you'll never come home to darkness again. Choose from a great selection of stylish, bright and quality solar wall lights. Free Shipping on all solar carriage lanterns and low profile solar lights.

What are solar panel wall lights?

These solar panel wall lights are especially popular near entryways, garages, decks and other outdoor spaces where the lamps can collect plenty of energy.

The illumination they offer is attractive and can even add a layer of safety to your property. [Read More](#) .

How to choose a wall mounted solar light?

But, in general, here are some boxes that the wall mounted solar light that you are buying should definitely check. On top of these things, you can choose based on your personal preferences. It should have a water resistance rating. It should have a fairly good capacity battery. Its brand should not be too shady.
