

SolarInnovate Energy Solutions

Sunshine 1100 Photovoltaic Inverter

Overview

Who is Sunshine solar?

Sunshine Solar, we are specializing in solar panels, complete solar power system and batteries since 2004 in China. Our products have wide running range, sell goods over 80 countries. We have supplied more than 3GW photovoltaic solar panels and millions of units of batteries, solar charger controllers and solar inverters.

Who is Sunshine energy?

With more than 15 years solar inverter and storage system design and manufacturing experience, Sunshine Energy is positioned to provide comprehensive services and product design and strict quality control to help our customers to get the reliable products.

What is pv1100plus?

PV1100Plus is a cost effective , intelligent hybrid off grid solar inverter. The LCD display offers friendly user-configurable button adjustment such as battery charging current, AC/solar charger priority and DC priority. When battery voltage is low, it will automatically switch to AC grid to supply continuous power to the loads.

What does Sunshine Solar do?

Sunshine Solar is focusing on product development, production, system integration, sales and service. Products include Poly-crystalline PV panel, Mono-crystalline PV panel, Lithium Battery, Valve Regulated Lead Acid (VRLA) Battery, solar charge controller, solar inverter, Turn-key completed Off Grid and On Grid solar systems.
