

SolarInnovate Energy Solutions

Switchgear equipment for sale in Belgium

Overview

Who is SGC – switchgear company?

SGC is an independent manufacturer of medium voltage switchgear solutions worldwide. We have more than 45 years worth of experience in the development and production of medium voltage cubicles from 1 kV to 24 kV, for both indoor and outdoor applications. SGC – SwitchGear Company provides reliable products for electrical distribution applications.

Which is the best switchgear manufacturer in Europe?

This switchgear manufacturing company is considered the biggest industrial manufacturing firm in Europe along with branch offices across the globe. Siemens is one of the best switchgear manufacturers along with annual revenue of over \$83 billion across the worldwide market. Ultimately, Orecco is switchgear manufacturer located in China.

What if a switchgear manufacturer has multiple factories?

Other switchgear manufacturers with multiple factories spread all over the world just can't react as quickly. SGC is an independent manufacturer of medium voltage switchgear solutions worldwide.

Who are switchgear Ltd?

Welcome to Switchgear Ltd. We specialise in the supply of low voltage switchgear systems supplied to trade and industry.

Where are switchgears made?

Each and every switchgear is built in this single factory in Belgium and our engineers are literally just one foot away from the production floor. Supervisors and managers are out on the floor. When a change needs to happen, they can be on the assembly line instantly implementing those changes.
