

## SolarInnovate Energy Solutions

# The latest integrated energy storage solution for San Diego

## Overview

---

Arevon Energy recently launched the Peregrine Energy Storage Project, a massive \$300 million battery installation in the city's Barrio Logan neighborhood, Electrek reported. How much battery storage does SDG&E have?

SDG&E's utility-owned battery storage portfolio is expected to reach nearly 480 MW of power capacity and over 1.9 GWh of energy storage by year-end, including the Westside Canal expansion and two additional projects in San Diego County currently being constructed.

How does SDG&E protect energy storage?

With safety at its core, SDG&E closely adheres to recognized energy-storage safety practices through robust safety systems, strong coordination with first responders, and regular reviews of the latest research, helping advance a safe transition to a cleaner energy future.

What is energy storage North America 2025?

The Energy Storage North America 2025 is North America's premier energy storage event, showcasing cutting-edge solutions in energy storage and renewable integration. The exhibition hosts over 550 innovators and experts from across the energy storage supply chain, providing insights into the latest technologies, policy updates, and industry trends.

What does SDG&E do?

SDG&E is an innovative energy delivery company that provides clean, safe and reliable energy to better the lives of the people it serves in San Diego and southern Orange counties.

Will 131 MW energy storage facility be fully operational by June 2025?

This expansion project will add 100 megawatts (MW) of energy storage capacity to the existing 131 MW facility and is projected to be fully operational

by June 2025. This expansion project will add 100 megawatts (MW) of energy storage capacity to the existing 131 MW facility.

What is SDG&E's Westside Canal expansion?

Following the expansion, SDG&E's Westside Canal complex will feature 231 MW of energy storage and will be the largest asset in SDG&E's utility-owned battery storage portfolio.
