Thimphu energy storage export

Overview

Why is Bhutan Rethinking Power imports in 2022?

To meet the energy supply deficits, particularly during the dry winter season, Bhutan has resorted to power imports from the year 2022, and this is expected to continue until adequate additional firm capacity is developed.

What are the policies governing the energy sector in Bhutan?

1.8 The energy sector was governed by several policies, such as the Bhutan Sustainable Hydropower Development Policy-2021, Alternative Renewable Energy Policy-2013, Domestic Electricity Tariff Policy-2016 and National Energy Efficiency & Conservation Policy-2019.

Does Gelephu mindfulness city need a single source of energy?

However, as we stand on the cusp of an ambitious future alongside the aspirations of a modern and developed economy coupled with pathbreaking Gelephu Mindfulness City (GMC), reliance on a single source of energy, however abundant, is no longer sufficient for our long-term energy security, resilience and sustainable growth.
