Tool lithium battery exhibition

Overview

It will take place in the National Convention and Exhibition Center in Shanghai from July 29 to 31, 2025. When is Shanghai new energy lithium battery technology Expo 2025?

14th Shanghai International New Energy Lithium Battery Technology Expo 2025 will take place from August 13-15, 2025, at the Shanghai New International Expo Center. This premier event, backed by national authorities, focuses on advancing lithium battery technology and its applications in the electric vehicle and energy storage sectors.

When is China International battery industry Expo 2025?

China International Battery Industry Expo 2025 (IBIE) will take place from October 10-12, 2025, at the Shenzhen Convention & Exhibition Center, organized by the China Battery Industry Association.

What is Shanghai International Power Battery application international summit?

Shanghai International Power Battery Application International Summit for Sharing and Going Overseas. BTF, with its continuous accumulation, has been recognized as an international exchange platform for the lithium industry, integrating trade, seminar, and a large-scale, complete exhibition, and a lot of audience, since more than 10 years.

What is a battery industry event?

Covering the entire industry chain, the event features a wide range of sectors, including battery materials, manufacturing equipment and testing instruments, various types of battery products, energy storage systems, charging and discharging infrastructure, energy storage solutions, as well as recycling and reuse technologies.

When is China International battery fair 2025?

The 17 th China International Battery Fair (CIBF2025), is scheduled from May 15 to 17, 2025 at the Shenzhen World Exhibition and Convention Center. The exhibition area will reach 280,000 square meters. It is expected that there will be more than 3,000 exhibitors and over 400,000 visitors.

What is China International battery fair (CIBF)?

No. 6, Huake 7th Road, Hi-tech Industry Park, Xiqing District, Tianjin 300384, China. China International Battery Fair (CIBF) is an international meeting and the biggest exhibition activity on battery industry, which is sponsored by China Industrial Association of Power Sources.
