# Windhoek portable power bank sw6117

## Overview

---

Do you need a portable battery or power bank?

Watching your phone or tablet steadily run out of power when you're nowhere near an outlet is stressful. But there's an easy solution: a portable battery or power bank. They are available in many sizes and capacities and can include handy features like fast charging and multiple ports.

What factors should you consider when choosing a power bank?

Another factor to consider is how quickly a power bank can charge your device. Battery output is measured in voltage and amperage. Amperage (or current) is the amount of electricity that flows from the battery to the connected device, while voltage is the amount of potential energy.

Is the Elecom nestout rugged power bank a canteen?

While it looks more like a canteen, the Elecom Nestout Rugged Power Bank is actually a rugged 15,000mAh battery. It features an IP67 rating, which means it is completely protected from dust and can withstand immersion in less than one meter of water. It has also been drop-tested using US military specs.
